VAULT

An OnSide Youth Zone

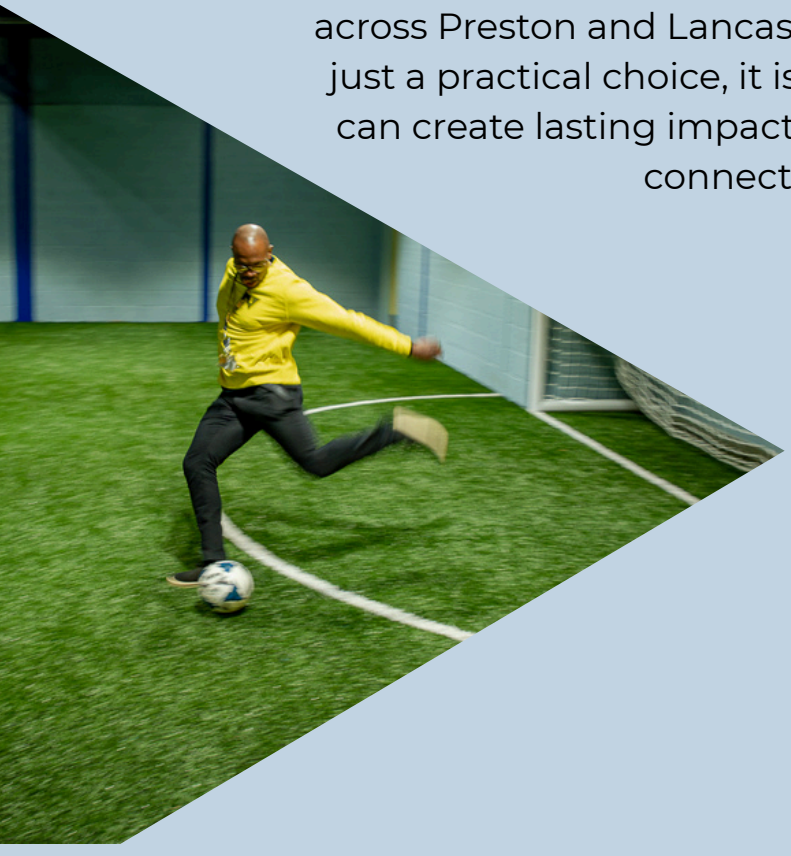

Facility Hire

Welcome to Vault

Preston is growing and changing for the better, yet too many young people still face significant barriers. Vault Youth Zone has been created to change that. It is a vibrant, purpose built space where young people can feel safe, inspired and supported to reach their potential.

To ensure Vault remains accessible and affordable for those who need it most, we are committed to generating sustainable income through room and facility hire. By opening our high quality spaces to local businesses, organisations and community groups, we are able to reinvest income directly back into frontline youth work.

Every booking helps to fund safe sessions, skilled youth workers and life changing opportunities for young people across Preston and Lancashire. Hiring a space at Vault is not just a practical choice, it is a meaningful one. Together, we can create lasting impact while building a stronger, more connected community.

What young people say:

"Our Youth Zone will be more than just a place to hang out. Here young people will be able to connect, learn and grow supported by dedicated youth workers who believe in their potential"
Ahmed, Vault Youth Zone Young People's Development Group

"Attending the Youth Zone has helped me to look to the future in terms of my aspirations and helped me to get back into sport and try different things. This is because I have had great support from the staff which has made a positive impact on my life. It also helped with choosing my potential career in sport because I got to speak to an actual player and ask them questions."
Kiara, OnSide Youth Zone member
